

March 10, 2018

Greetings, Saint Louis Association Members and Friends!

Your Association Meeting Planning Team greets you warmly and invites you to mark your calendars for the weekend of April 20 – 22, 2018, for our annual Spring Program Meeting.

We are very excited about the weekend we have planned for you. For this meeting we are doing many new things. This meeting is being held in Memphis which is part of the St. Louis Association. The theme is, “Where Do We Go From Here?” We will be offering many options for your participation over the weekend, including substantive Community Engagement Activities. We will learn about the history and ministry of First Congregational United Church of Christ, Second Congregational United Church of Christ, Holy Trinity Community Church, United Church of Christ and United Church of Christ affiliated LeMoyne-Owen College. As we gather, we will observe the 50<sup>th</sup> anniversary of the assassination of Dr. Martin Luther King Jr. and the 150<sup>th</sup> anniversary of Second Congregational Church.

Our time together has been shaped by the representatives of the three UCC congregations in Memphis and the College. They have created an event designed to bring us together in meaningful fellowship, rich education, engaging mission and “Holy Moments” of worship.”

Attached separately is detailed information about the weekend and the registration form. Please read it carefully and indicate your selections on your completed registration form. All participants need to complete a registration form. The **deadline** to receive the completed form is April 10, 2018.

Please stay tuned for updates as we finalize details and respond to unanticipated questions. Information will be emailed and posted to the St. Louis Association page of the Missouri Mid-South website.

Registration information is included with this email in a separate attachment.

We are very excited to share this program with you. We look forward to being together again in worship, learning, and conversation.

Faithfully yours,

The Association Spring Program Meeting Planning Team
