

St. Louis Association Council, recommended action:

Article 14: REVIEW AND AMENDMENTS

Section 1: Review

The Association Council shall appoint a task force or project team to review, and if necessary, suggest revision or amendments to these By-Laws, at least every five (5) years or sooner at the discretion of the Association Council.

Recommendation from Council:

At its meeting on September 5, the St. Louis Association Council voted to recommend that the delegates to the 2019 Fall Association Business meeting approve the request to suspend the review portion of the Association Bylaws as outlined in Article 14; Section 1, above.

This request is being made in light of the on-going conversation about the relationship between the St. Louis Association and Missouri Mid-South Conference of the United Church of Christ.
