About Shannondale

Shannondale Community Center is a Mission project of the MMS UCC serving the spiritual educational & economic needs of Shannon & the surrounding counties through its many functions. Shannondale also encompasses the Bucher Memorial Tree Farm, the oldest continuing tree farm in the state of Missouri. The tree farm illustrates our continuing commitment to God's land & its resources.

The Wobus Crafts Center was established to serve as an outlet for local artisans to supplement their incomes. The center features baskets, woodwork, quilts & other handmade items.

Shannondale provides varied lodging arrangements for families & groups on service projects, work camps or retreats.

Shannondale is about 40 miles south of Rolla, MO, near the Ozark National Scenic Riverway.
